Florida Travel Company Outreach List

Broad prospect list for Karla Safari Adventures - Kenya destination partnerships

Scope

This Florida list is intentionally broad. It includes safari/Africa-facing companies where available, luxury advisors, general travel agencies, cruise and tour sellers, DMCs, group and incentive companies, student travel, food and culture tours, wildlife attractions, and local tour operators. Compiled June 3, 2026 from public business emails and official contact pages where possible.

How to prioritize

- Start with Direct and Strong. These companies are the closest fit for Kenya safari partnerships or luxury advisor outreach.
- Use Broad for agencies, DMCs, host agencies, group companies, and incentive travel firms that may add Kenya if the offer is simple and commissionable.
- Use Exploratory for local tour companies, food tours, and attractions. They are not obvious Kenya sellers, but they can help widen awareness or refer private groups.
- Where a public email was not available, use the source link and contact form instead of guessing an address.
- Send personalized outreach. Keep the first email short and attach a Kenya product sheet or 2-3 sample itineraries.

Short Outreach Email Template

Subject: Kenya safari partnership idea for your travelers

Hello [Name/Team],

My name is [Your Name] from Karla Safari Adventures, a Kenya-based safari and travel company. I came across [Company Name] and noticed that you work with [luxury/custom/group/student/adventure/cultural] travel clients.

I wanted to ask whether you are open to adding Kenya safari experiences to your travel list or working with a trusted local Kenya partner. We can support your team with private safaris, group itineraries, student and conservation programs, honeymoon trips, family safaris, Nairobi experiences, Masai Mara, Amboseli, Samburu, Lake Naivasha, and safari + beach extensions.

If useful, I can send a short Kenya product sheet with 2-3 sample itineraries, net partner rates, and details on how we support travel advisors and tour companies on the ground.

Would you be the right person to speak with about Kenya travel partnerships?

Kind regards,
[Your Name]
