New York Travel Company Outreach List

Broad prospect list for Karla Safari Adventures - Kenya destination partnerships

Scope

This New York list is intentionally broader than the California list. It includes Africa/safari specialists, luxury advisors, general travel agencies, tour operators, DMCs, group/incentive companies, student travel companies, sightseeing operators, food/culture tours, walking tours, and experimental prospects that may be worth contacting if you want to spread Kenya awareness widely. Compiled June 3, 2026 from public business emails and official contact pages where possible.

How to prioritize

- Start with Direct and Strong. These are most likely to understand Kenya, safari, luxury, group travel, or advisor partnerships.
- Use Broad for general agencies, DMCs, group companies, and operators that may add Kenya if the offer is simple and commissionable.
- Use Exploratory for local tour companies. These are not obvious Kenya sellers, but some may know clients, groups, or partner agencies.
- Verify the Verify first contacts before sending. They come from older tour-operator listings and may have changed.
- Do not bulk-blast. Send a short personalized email and attach only a clean Kenya product sheet or 2-3 sample itineraries.

Subject: Kenya safari partnership idea for your travelers

Hello [Name/Team],

My name is [Your Name] from Karla Safari Adventures, a Kenya-based safari and travel company. I came across [Company Name] and noticed that you work with [luxury/custom/group/student/adventure/cultural] travel clients.

I wanted to ask whether you are open to adding Kenya safari experiences to your travel list or working with a trusted local Kenya partner. We can support your team with private safaris, group itineraries, student and conservation programs, honeymoon trips, family safaris, Nairobi experiences, Masai Mara, Amboseli, Samburu, Lake Naivasha, and safari + beach extensions.

If useful, I can send a short Kenya product sheet with 2-3 sample itineraries, net partner rates, and details on how we support travel advisors and tour companies on the ground.

Would you be the right person to speak with about Kenya travel partnerships?

Kind regards,
[Your Name]
