Texas Travel Company Outreach List

Broad prospect list for Karla Safari Adventures - Kenya destination partnerships

Scope

This Texas list is intentionally broad. It includes Africa and safari specialists, luxury advisors, general travel agencies, group and incentive travel companies, DMCs, student travel companies, food/culture tour companies, sightseeing operators, and experimental local tour prospects. Compiled June 3, 2026 from public business emails and official contact pages where possible.

How to prioritize

- Start with Direct and Strong. These companies already understand safari, Africa, luxury travel, group travel, or advisor partnerships.
- Use Broad for agencies, group travel, DMCs, and incentive companies that may add Kenya if the offer is simple and commissionable.
- Use Exploratory for local tour companies. They are not obvious Kenya sellers, but some may know private groups, corporate clients, or partner agencies.
- For contacts marked contact form, use the source link rather than guessing an email address.
- Send personalized outreach. Do not bulk-blast. Attach a short Kenya product sheet or 2-3 sample itineraries.

Short Outreach Email Template

Subject: Kenya safari partnership idea for your travelers

Hello [Name/Team],

My name is [Your Name] from Karla Safari Adventures, a Kenya-based safari and travel company. I came across [Company Name] and noticed that you work with [luxury/custom/group/student/adventure/cultural] travel clients.

I wanted to ask whether you are open to adding Kenya safari experiences to your travel list or working with a trusted local Kenya partner. We can support your team with private safaris, group itineraries, student and conservation programs, honeymoon trips, family safaris, Nairobi experiences, Masai Mara, Amboseli, Samburu, Lake Naivasha, and safari + beach extensions.

If useful, I can send a short Kenya product sheet with 2-3 sample itineraries, net partner rates, and details on how we support travel advisors and tour companies on the ground.

Would you be the right person to speak with about Kenya travel partnerships?

Kind regards,
[Your Name]
