Washington Travel Company Outreach List

Broad Washington state prospect list for Karla Safari Adventures - Kenya destination partnerships

Scope

This Washington state list is intentionally broad. It includes African safari specialists, luxury advisors, adventure operators, general travel agencies, group and cruise sellers, DMCs, student/educational travel, food/culture tours, local sightseeing operators, outdoor tour companies, and exploratory tourism contacts. Compiled June 3, 2026 from public business emails and official contact pages where possible.

How to prioritize

- Start with Direct and Strong. These are closest to Kenya safari, luxury, adventure, family, or advisor partnership outreach.
- Use Broad for agencies, group travel, DMCs, cruise sellers, and educational travel companies that may add Kenya if the offer is simple and commissionable.
- Use Exploratory for local tour companies and attractions. They are not obvious Kenya sellers, but some may know private groups, corporate clients, or partner agencies.
- Where a public email was not available, use the source link and contact form instead of guessing an address.
- Send personalized outreach. Keep the first email short and attach a Kenya product sheet or 2-3 sample itineraries.

Subject: Kenya safari partnership idea for your travelers

Hello [Name/Team],

My name is [Your Name] from Karla Safari Adventures, a Kenya-based safari and travel company. I came across [Company Name] and noticed that you work with [luxury/custom/group/student/adventure/cultural] travel clients.

I wanted to ask whether you are open to adding Kenya safari experiences to your travel list or working with a trusted local Kenya partner. We can support your team with private safaris, group itineraries, student and conservation programs, honeymoon trips, family safaris, Nairobi experiences, Masai Mara, Amboseli, Samburu, Lake Naivasha, and safari + beach extensions.

If useful, I can send a short Kenya product sheet with 2-3 sample itineraries, net partner rates, and details on how we support travel advisors and tour companies on the ground.

Would you be the right person to speak with about Kenya travel partnerships?

Kind regards,
